InSpirit Signature Scents Product List

Citrus Aura: Breathe in the joyful aroma of Citrus Aura and you will instantly feel a smile rise to your lips. Using Citrus Aura will invigorate your skin and wake up your senses. **Citrus Aura is a playful combination of essential oils designed to encourage a sense of joy, liveliness, confidence, alertness, creativity and clarity.**

Mystic Garden: Mystic Garden is for everyone who suffers from problem skin conditions such as Eczema, Acne, Psoriasis or Body Odour issues. Its soothing and mild qualities will leave your skin feeling soft, healthy and supple. **Mystic Garden is a gentle combination of ingredients which are considered to have anti-fungal, anti-septic and anti-inflammatory qualities. The relaxing blend of essential oils is designed to encourage a sense of personal growth, confidence, inspiration, balance and joy.**

Peaceful Embrace: Peaceful Embrace nourishes your dry chapped skin with extra rich natural moisturizers. Vitamin E and natural nut-based oils help restore moisture back into your skin leaving it to feel smooth and soft. This is perfect for those who prefer a light natural scent. Also excellent for those who work or live in 'fragrance free' environments. **With just the slightest hint of almond and vanilla, Peaceful Embrace encourages feelings of security, sensuality and romance.**
